MEDIA CONSENT SECTION

Occasionally, we may take photographs of the children taking part in activities at our organisation. We may use these images in our club/centres brochure or in other printed publications that we produce, as well as on our website or on project display boards at our club/centre.

From time to time, our club/centre may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Children will often appear in these images, which may then appear in local or national newspapers, or on televised news programmes.

This form gives the above organisation the right to use the whole or part of your child's contribution in all media. These images may appear in our printed publications, on video, on our website, or on all three. We very much hope to use your child's contribution, but we cannot guarantee to do so.

- You assign to the above named organisation the copyright and all other rights in your child's contribution for use in all media now known or which may be developed in future.
- In the light of the need of television production for flexibility, you agree that the above named organisation may edit or adapt your child's contribution and you agree not to exercise any "moral rights" you may have against the above named organisation in respect of any use of your child's contribution pursuant to this Agreement or against any third parties who may have been authorised by the above named organisation.
- The above named organisation will not be liable for any loss or damage to your child, or your child's property, unless caused by the above named organisation's negligence.
- You confirm that you consent to images of your child being used in conjunction with publicity by the above named organisation, the Royal Yachting Association and / or title sponsor of RYA OnBoard.
- You confirm that your child is not under a court order.

Conditions of use

1. This form is valid for the duration of the OnBoard project only. The consent will automatically expire after this time.
2. We will not re-use any images after the OnBoard project is completed.
3. We will normally only identify a child by reference to the child's first name (i.e. not his or her full name).
4. We will not use personal details or full names (which means first name and surname) of any child in a photographic image on video, on our website, in our organisation brochure or in any of our other printed publications without good reason. For the avoidance of doubt "good reason" includes using the full name of a child in a newsletter to organisation members if the child has won an award.
5. We will not include personal email or postal addresses, or telephone or fax numbers on video, on our website, in our organisation brochure or in other printed publications.
6. We may use group photographs or footage with very general labels, such as "a first sailing session".
7. We will only use images of children who are suitably dressed, to reduce the risk of such images being used inappropriately.

I agree to these terms and have read and understood the conditions of use above.
